Collaborate to Saturate – Nov 27, 2024

Meeting Summary for C2S regional leaders, interested colleagues and friends (**please to not post or forward**)

Eight C2S leaders discussed issues related to the C2S app which overviews progress in global collaboration health and outcomes for church planting and disciple making movements.

1. Training: a second training authorized users on the secure dual-authentication app takes place for Africa and Asia on Friday December 6. A third training will be needed to accommodate schedules and time zones, likely in January 2025.
2. Collaboration events: solutions were proposed to moving a growing number of collaboration events posted on a low security platform to the high security app with reports on outcomes.

We discussed our quarterly “learning community” process to resource national collaboration leaders. Discussion included:

1. Potential leaders to enlarge the facilitation team for our “learning community” events.
2. The next “learning community” date is January 28.
3. Solutions for translation needs were suggested.
4. Discussion on evaluating national collaboration events and stewarding outcomes will be near future topics.
5. A private link for “learning community” participants will be added to the C2S website.

Means of preventing mission drift were discussed including:

1. Clarity regarding who should be invited to C2S.
2. Foundational documents to orient incoming members to C2S

Communications:

1. A solution was suggested for following-up on growing interest expressed in joining national collaboration roundtables.
2. A response to requests for a regular public newsletter (yet to be defined) was put off to our meeting in Honduras.

Prayer collaboration was discussed with attention to the important distinction between private prayer concerns and public prayer mobilization.

The C2S facilitation team will meet again virtually on January 8, and in person in Honduras on Feb 14, 2025. Plans were made to include regional leaders while in Honduras and participate where possible in the adjoining Latin American Summit.

Please continue to pray for C2S facilitation team and the C2S movement.
