

Regional Team Catalyst

Role Description

Thank you for serving in this vital supportive role in your region.

Please

1. **Pray** for your region, its nations and disciple-making and church planting leaders.
2. **Find, encourage and coach** national collaboration team facilitators in each country, relationally and regularly, seeking their success.
3. **Gather**, if possible, every year or two, national collaboration team leaders in a central location for sharing, training, encouragement and prayer. This may involve in some cases helping find funds from within or outside the region.
4. **Update** the C2S dashboard app for your region from time to time (at least annually).

Please

develop also relationships with regional leaders of C2S partners as a team (see <https://www.collaborate2saturate.com> > About Us) for mutual support and strengthening of collaboration in the region.

Additional details, encouragement and resources can be found on the [C2S website](#)
