for C2S network members, regional leaders, interested colleagues and friends.

(Please to not post or forward without consultation.)

The on-line meeting includes a focus, by rotation, on a particular region for review and upbuilding. This month's regional focus was SE Asia.

Judah Cantoria, leader of our SE Asia team updated us on a Sept 18-20, 2025 gathering in Manila for country leaders in the 10 nations of the region for the purpose of learning and setting smart goals towards national saturation. Suggestions for invitations of leaders pursuing national strategies in a longer-term process can be sent to judahjim1@yahoo.com

The Asia Forum in Chiang Mai, Nov 4-7, 2025 aims for more general goals but has a broader scope including South and SE Asia. Details available from kr.green@gacx.io.

Regional "shepherds" shared briefer updates also from MENA, Central Asia, South Asia and Latin America/Caribbean with some action-steps agreed. Murray will gather regional "shepherds" in July for more detailed conversation.

Next national "learning community" on July 14 (12:00 UTC) will focus on "Strategic Information Adequate to the Task." If you've not received an invitation, please contact dcrawford@multiplicationnetwork.org

Upcoming regular C2S meetings will invite focus on particular challenges of Oceania and East Asia regions.

Our next regular C2S on-line meeting is scheduled for Aug 8 (13:00 UTC)

Our next in-person meeting will adjoin Blue Med (Feb 23-27, 2026) with specific date TBD.
