

C2S Core Team Roundtable

Our primary shared goal for 2026:

Effective disciple-making, church planting roundtables in
100 nations, supported by regional teams.

<https://collaborate2saturate.org/about-us/>

Around one key question:

“What will it take to saturate our nation with the gospel through church multiplication?”

Developing four essential components:

Leadership

Information

Gathering

Systems

Primary Meeting Purpose: to advance collaborative processes agreed in Malta [meeting notes & action items](#).

C2S shared google drive: [HERE](#)

Time (Eastern)	Topic	Comment/Discussion	Notes / Decisions / Action Steps
10:00 am	Preparations	Welcome, Word (1 John 5:9-10) and Prayer. Check-in ... word or phrase Good for 90 mins? Meeting Recorded on YouTube:	

10:10	Meeting notes & agenda additions.	April 10, 2026 meeting notes here. Progress reports on action items: Kenya participation plans here	(For notes from previous Exec, Catalyst, and Global Core Team mtgs scroll down from here.)
10:15		C2S partner process engaging nations – update on - Egypt (Ryan and Kyle) - Pakistan (Kris R) - Progress in other nations...	No progress since April 10 (highlighting importance of empowering regional teams to increase capacity beyond that of our core team). Everyone, please review and use “Agreed principles and process” (lines 7-18) when preparing to engage an unengaged nation and update us next meeting.
10:30		V2 Dashboard: use & feedback form https://tally.so/r/xXRZ5k Purpose: to provide baseline for use and a permanent channel for input from users... Feedback: Is the form ready to distribute to our regional teams? Essentially, “yes”. JJ suggested discussion of a single country to surface necessary learnings applicable more widely. Discussion and updating of dashboard on Cambodia produced awareness of importance adding to verbal communication, written information in the dashboard on upcoming gatherings (dates and contact persons, not only in text box but especially in “gatherings” tab, and contact info for key players in research, saturation strategies.	Dulcie will liaison with David to get access to dashboard for those not able to log in. We filled in the feedback form. Note: the form will remain “permanently” open to receive input. A couple minor suggested edits to the feedback form were noted. When made, Dulcie will invite participants in our Regional Teams WhatsApp group to provide feedback via the feedback form.
10:40		Batam 2.0 in Manila: GACX Forum Oct 26-29, 2027 update & discussion (Joey)	No new developments reported.
10:50	Collaboration Catalyst meeting (May 5 quarterly meeting notes)	Three goals: Span-of-care ratio ideally 1 to 7 for sustainable relational	Murray reported to aid in communication flow.

		support by regional teams for national processes. • Training needs analysis for regional teams. • CCs will calendar & confirm 90 day conversations with their regional teams through 2026. ➤ A 90 day “personal touch” with leader(s) in 200 nations for encouragement, prayer, coaching,	
10:55	Exec (April 22 meeting notes)	Three highlights: • Empty chair: Guests for three 6wk core team meetings, then welcomed with onboarding if mutually desired. • Exec proposed quarterly centralized gatherings with regional teams. CCs felt regional team training is better done in de-centralized process. • WhatsApp groups now serve 3 distinct groups: core team, collaboration catalysts, and regional teams. Regional teams group is large and growing (43 members). Please try to keep the value high, particularly with resources and case studies helpful to assist national collaboration.	Murray reported to aid in communication flow. Murray will attempt to resolve via our Collaboration Catalysts WhatsApp group, and propose solution during our June 9 exec meeting. KR proposed switching from WhatsApp to Signal for security reasons. Brief discussion without resolution. Solution may require an off-line conversation with those expressing this security concern.
10:00	Prayer – for C2S and by C2S leaders	Proposal for monthly prayer for C2S partners and Kingdom fruit. Carol offers to host intercessors from each of our organizations. Prayer by C2S: Murray suggests 30 minutes Tuesdays 11:00 am Eastern. (10 minutes sharing issues/activities pending this week; 20 mins prayer.)	Deferred to next time due to time limitation
10:05 am	Succession planning team	Process update - KR	Deferred to next time due to time limitation
10:15	Closing round: comments, other updates, new business, next agenda	KR – request for prayer for health issues recently arising. Ryan – V59 also recognizes the need for high-security tools for protection of those in conversation.	

		George – request prayer for fund raising effort for Lausanne C2S mobilization
